State of Tennessee
Perry County

On this 22nd day of
October 1834 personally appeared before
me Francis Doherty an acting Justice of the
peace in and for the county of said Aaron
Arnold a resident of the county of Perry
and State of Tennessee aged about eighty
six years, who being first duly sworn
according to law, doth on his oath make
the following Declaration in order to
obtain the benefit of the provision made
by the act of Congress passed June 7th
1832 - That he enlisted in the Army
of the United States about the year 1782
and served in the Regiment (The number of the
Regiment he cannot remember) of the North Carolina
line, Under the following named officers -
Declarant was marched into service from
Hillsboro in the county of Orange where
he enlisted, by Captt Tanner (or Tenner) who
proceeded with the troops enlisted at that
place to Becons Bridge on Cuckly River
After our arrival at the Bridge we were
placed under the command of Captain Hall
at this place Colonel Archibald Lytle
took command of us. While I was at
the Bridge I was ^{some part of my time} confined to my bed
with indisposition. The time we remained
there I do not remember precisely, I think
however I remained there six months or perhaps
longer. The troops that were stationed at
this place were kept there for the purpose
of being ready to march against the British

as their movements should render it necessary
but Cornwallis having surrendered it
checked the British so that they were
not so hostile and terrible in their
attacks upon the Americans.

After I was enlisted at Hillsboro in
the county of Orange by one Dickson

We remained there three or four weeks
before we marched to Bacon's Bridge
under Capt Fenner - General Greene
was our commander in chief in the
Southern army he was with us a
short time at ~~Hillsboro~~ ^{Bacon's} Bridge but
was passing from place to place
so that he was not with us
long at a time - We were in
no battles during my term of service
which was seven months -

I entered the service in the month of
May and retired about Christmas
following 1782 - The troops that
was stationed at Bacon's Bridge marched
to Wilmington, and I was unable to
march with them being still sick
and Colo Lytle gave me directions to
return to Hillsboro, as I was unable
to march with the army to Wilmington

I did so & set out for Hillsboro and
could only travel 5 or 6 miles per day

I never received any written discharge because I could not proceed with the army to the place where they were disbanded. The Eighteen months men were ordered out about this time — I have no news of my age. My Father had one but it got lost —

I hereby relinquish every claim to a pension or annuity except the present and I declare that my name is not on the pension roll or agency of any State —
